## Introduction

This document outlines the business requirements for the website. The requirements may be updated or revised when needed/necessary. Revisions will be noted here along with final approvals/dates.

The existing site can be located at: [localhost/themanapool.com/](http://localhost/themanapool.com/)

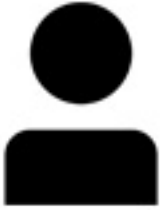

## Revision History

Created Doc	Version 1.0	1/14/14
Added Content	Version 2.0	1/17/14
Design Overhaul	Version 2.5	1/22/14

## Approvals

## Reviewers

## Team Members

### The Team

HTML markup - Matt Mohl

CSS styles - Matt Mohl

JavaScript animation - Matt Mohl

AngularJS logic - Matt Mohl

Iconography - Various The Noun Project Contributors

Database Content - Wizards of the Coast ©

## General Notes

The point of this document is to better visualize the requirements of The Mana Pool. Each section represents a page of the site, and will have all the requirements for that page listed below it. The number next to the requirement is used for marking changes to this document in the Revision History section.

## Timeline and Budget

### HTML/CSS Prototype

1 Week

\$2000

### User System

1 Week

\$1000

### Browse System

2 Weeks

\$5000

### Deck System

2 Weeks

\$2000

### Comment System

1 Week

\$1000

### Exp System

1 Week

\$1000

## Detailed Requirements
