The Mana Pool

A deck builder for Magic: The Gathering

Created by Matt Mohl

Magic: The Gathering

- World's first trading card game
- Die hard fan-base
- Not much web presence

What it's all about

- Minimalize design
  - Content is king here
- Easy to use
  - Great for beginners
- Create a helpful community
  - Incentive to give feedback

Overview

- Give users rewards for helping
- Experience points will increase level

- Higher level = mightier mage
